

## Established in 1972,

IBA employs a staff of seasoned claims examiners with an average of 20 years or more claims experience.

Your client's Benefit Administrators will get quick and accurate answers to their inquiries.

IBA is in compliance with HIPAA guidelines.

For further cost savings, IBA performs out-of-network claims re-pricing negotiations decreasing the employer's and employee's claims expenses.

## LOOK TO US!

**international benefits administrators, llc.**  
*dedicated to personalized service™*

**W**e recognize how important it is to have a quality administrator to handle the day-to-day processing and servicing of your client's health or dental program(s). For current Fully-Insured programs, a Self-Insured option can save considerable dollars and increase your client's cash flow.

We work with the major PPO networks such as :

**Multiplan • Magnacare • Horizon • Beechstreet • CCN • HCVM • MVPPO • CHN • Alliance • GHI • Devon • Dental Health Alliance • General Vision Services and more!**

We offer our clients *Best of Breed* networks for nationwide coverage by analyzing fee schedules and performing GeoAccess and Disruption Analysis reports.

Whether at inception or renewal, we obtain competitive Stop-Loss coverage through re-insurers, such as:  
**Hartford • Avemco • Trustmark • Standard Security • Gerber • Safeco • Sunlife and more!**
