**Since 1972** International Benefits Administrators, llc. (IBA) has focused on the implementation and administration of self-funded employer-sponsored health plans.

IBA offers personalized claim service by our experienced staff providing quick and effective responses to claimants' needs. A dedicated team of representatives will be available, ensuring that you are taken care of by someone that you are familiar with and more importantly, that your requests will be handled in a professional and expedient manner.

IBA will assist you in designing a benefit plan that will best fit your needs. Our goal is to enhance the quality of benefit plans, incorporating all necessary guidelines for cost-effectiveness while preserving employee satisfaction. IBA's extensive experience in administering health plans is based on a *principle*...regardless of the size of the company, professionalism and total commitment to the customer is our goal.

"How can we help you?"
